PETITION OF RALPH E. JONES FOR REHEARING.

Your petitioner, Ralph E. Jones, appellee in the above-identified case hereby respectfully requests that Your Honors grant him a rehearing in the above case.

The sole ground upon which the rehearing is requested is that petitioner's counsel never considered that Your Honors would reverse the District Court finding of fact 20 on the ground that the invention defined in claims 22, 23, 31, and 32 were the result of the exercise of mere

Application for Stay of Issue of Mandate.

It is respectfully requested that if this petition for rehearing is denied, the issue of mandate be stayed until expiration of time allowed to petition the Supreme Court for a writ of certiorari which petition counsel certifies it has been instructed to prepare.

Dated at Los Angeles, California, this 13th day of April, 1949.
